

## Special Guest Speaker

**Mr. Stan Newberry, SES, USAF**

Stan C. Newberry, a member of the Senior Executive Service, is Director, Air Force Global Cyberspace Integration Center (GCIC), Langley Air Force Base, Va. as a Headquarters U.S. Air Force field operating agency reporting to the Secretary of the Air Force, Chief of Warfighting Integration and Chief Information Officer, Mr. Newberry provided a snapshot of GCIC's pivotal role in enabling warfighter decision superiority. The organization leverages innovation, integration and standardization to close seams in warfighter communications and operational environment challenges. He focused on the support GCIC provides for today's Airborne Network with programs like Interim Gateway as well as future capabilities to be provided by the Joint Aerial Layer Network.

Col Hatcher presents Mr. Newberry a chapter polo shirt as a token of appreciation for speaking at the April luncheon.
