

June was an outstanding month for the Tidewater Chapter. We were honored to have the ACC/A6 Commanders Conference participants in attendance at the luncheon and the chapter also hosted another golf tournament.

Guest Speaker

Major General Frank Gorenc

Major General Frank Gorenc, is the Director, Air and Space Operations, Headquarters Air Combat Command,

He provided great insight from an operators perspective, of the importance of communication's role in enabling persistent ISR. The General focused on how the Unmanned Airborne Systems (UAS) enterprise have improved operations in theater and will continue to grow as a combat enabler. He gave first-hand examples of operating in the Air, Sapce and Cyber domains and the need to gain dominance, awareness and superiority within each domain.

Col Hatcher presents Gen. Gorenc an Air Force Monopoly set as a token of appreciation for speaking at the June luncheon.

AFCEANs of the Month

During this luncheon we recognized the AOMs for May and June. Congratulations to Mr. Ken Herlinger (May) and Ms Makeva Flowers (June) for their selection as AOM! Ms Flowers was also recognized as an AFCEA Lifetime Member.

*** Tee It Up ***

Kudos to Mr Randy Martin and a host of volunteers for spearheading another great golf tournament. This event featured attendees from the ACC/A6 Commanders Conference as well as some of the Comm & Info career field alumni.

Randy Martin (right) and team

Thanks to the core of faithful volunteers

BGen (ret) John Maluda (right) and team

Scholarship Raffle

The Scholarship Raffle winner was Capt Robertson from JTF-Civil Support, Ft Monroe.

Capt Robertson receives an Air Force Poker Chip set from Col Hatcher

Membership Drawing

We had our first-ever winner of the membership drawing. Mr. James Crawford, ACC/A6I walked away with \$60.00 cash.

The next luncheon is at Langley Officer's Club - Thursday, 23 July 2009. The Guest Speaker is Rear Admiral Hight, DISA Vice Director
